## Clean Version

Please amend the above-specified application as follows:

**IN THE CLAIMS:**

Please **ADD** new Claim **35** as follows:

- 
35. (NEW) A method comprising:
- receiving a product identifier that identifies a product,
    - in which the product is associated with a transaction;
  - receiving a credit card number from a customer as payment for the transaction,
    - in which the credit card number is for use only one time, and
    - in which the credit card number is for use in place of an account number that
  - identifies a credit card account;
  - transmitting the credit card number for authorization of the transaction;
  - receiving information indicating whether the transaction is authorized; and
  - providing the product to the customer if the transaction is authorized.
-
